

Chapter 5 **List of Preparers**

The following persons were principally responsible for preparation of this Mitigated Negative Declaration/Finding of No Significant Impact (MND/FONSI) and supporting technical studies.

5.1 California Department of Transportation, District 12

Abou-Abdou, Ahmed, PE, PMP, Senior Transportation Engineer. M.S./B.S. in Civil Engineering, California State University, Fresno. 33 years of experience in civil engineering. Contribution: Project Manager.

Askari, Farid, Transportation Engineer, Civil, Range C, Environmental Engineering. Assistant Noise specialist. B.S. in Civil Engineering, Roger Williams College, Rhode Island. Over 40 years of experience in the field of transportation engineering including design, hydraulics, hydrology, hazardous waste, construction, Storm Water Pollution Prevention Plans (SWPPP), noise, and aerially deposited lead (ADL) investigations. Contribution: Review of Noise section of the IS/EA.

Aurasteh, Reza, Senior Environmental Engineer. P.E., Ph.D. in Engineering, Utah State University. 28 years of experience in consulting engineering, academics, transportation engineering, and environmental engineering. Contribution: Senior Review of the Initial Site Assessment (ISA).

Chang, Paul, Associate Environmental Engineer. B.S. in Civil Engineering, California State University, Los Angeles. 35 years of experience. Contribution: Review of the Air Quality section of the IS/EA.

Deshpande, Smita, Senior Environmental Planner. B.A. in Geography, University of Pune, India; M.S. in Regional Planning, Indiana University of Pennsylvania, Indiana, Pennsylvania. 27 years of experience in environmental planning. Contribution: Oversight management of the IS/EA.

Dickson, Eric, Senior Landscape Architect. B.S. in Landscape Architecture, California State Polytechnic University, Pomona. 16 years of experience in Visual Impact Assessments (VIAs) and aesthetic master plans. Contribution: Senior review of the VIA.

Dinh, Phi, Senior Transportation Engineer. M.S. in Civil Engineering. 17 years of experience in hydraulics/drainage design. Contribution: Location Hydraulics Study/Summary Floodplain Evaluation Report.

Duran, Gabriela, Associate Environmental Planner. B.A. in Environmental Economics, University of California, Riverside. 9 years of experience. Contribution: Oversight preparation of the IS/EA.

Heydari, Bahar, Associate Environmental Planner (Generalist). B.S, Geography with Emphasis in Environmental Analysis, California State Polytechnic University, Pomona. 11 years of experience in Environmental Analysis Unit. Contribution: Peer Reviewer.

Ketsela, Kedest, Associate Environmental Planner (Biologist). B.S. in Natural Science, California State University, Los Angeles. 17 years of experience. Contribution: Oversight preparation of the Natural Environment Study (NES).

Lee, Joseph, P.E., Transportation Engineer – Civil Range D. B.S. in Civil Engineering, Oregon State University, Corvallis, Oregon. 17 years of highway design experience and 23 years of civil engineering experience.

Lim, Mili, Senior Transportation Engineer. B.S. Civil Engineering, University of California, Irvine. 23 years of experience. Contribution: Supervising and managing the preparation of the Project Report.

Lo, Carmen, Associate Environmental Planner. B.A. in Environmental Analysis and Design, University of California, Irvine. 10 years of experience conducting research and preparing technical sections of environmental documents. Contribution: Oversight preparation of the IS/EA.

McGahey, Barbara, Project Manager. B.S. in Actuarial Science, University of Illinois (Champaign-Urbana); MBA, University of California (Irvine); M.S. Civil Engineering, University of Irvine (Irvine). 17 years of experience in Caltrans process and construction methods. Contribution: Project Management.

Piña-Garrett, Grace, Senior Transportation Engineer, National Pollutant Discharge Elimination System Unit. B.S. in Civil Engineering, California State University, Long Beach. 21 years of experience in engineering and water quality. Contribution: Senior review of the Water Quality Assessment Report.

Salas, Hector B., Associate Environmental Planner. B.A. in Environmental Analysis and Design, University of California, Irvine. 18 years of experience. Contribution: Preparer of the Water Quality Analysis Report.

Santos, Brian, Project Manager. B.S. Civil Engineering, California Polytechnic State University (San Luis Obispo). 10 years of experience in Caltrans processes and construction methods. Contribution: Project Management.

Sinopoli, Cheryl, Associate Environmental Planner (Archaeologist). B.A. in Anthropology, California State University, Bakersfield. 25 years of experience as an Archaeologist. Contribution: Oversight preparation of the Historic Property Survey Report (HPSR) and the Paleontological Identification Report (PIR) and Paleontological Evaluation Report (PER).

Sowers, Steven, Senior Transportation Engineer. B.S.C.E, Penn State University. 23 years of experience with Caltrans in traffic project oversight, engineering, safety, transportation management plans, signs and delineation. Contribution: Review of traffic section of IS/EA.

Tran, Leha, Transportation Engineer (Civil). B.S. in Chemical Engineering, California State Polytechnic University, Pomona. PE license in Civil Engineering in 1992. 29 years of experience with Caltrans. Contribution: Design Project Engineer.

Wong, Ronald, Landscape Associate and Landscape Architect. B.S. in Landscape Architecture, California State Polytechnic University, Pomona. 19 years of experience with Caltrans, Landscape Architecture Branch. Contribution: Preparer of the VIA.

Yaghoubi, David, Environmental Engineer. B.S. in Civil Engineering, California State University, Los Angeles. 20 years of experience as a Caltrans Environmental Engineer. Contribution: Preparer of the ISA.

5.2 LSA Associates, Inc.

Bean, Andrea, Assistant Environmental Planner. B.A. in Anthropology, Summa Cum Laude, University of California, Santa Barbara; M.A. in Anthropology, Archaeology Emphasis, California State University, Long Beach. 2 years of experience in conducting research and preparing technical sections of environmental documents. Contribution: Preparer of Chapter 1, Proposed

Project and Cumulative Impacts section, and Co-preparer of Land Use, Community Impacts and Paleontological Resources sections of the IS/EA.

Canterbury, Meredith, Senior Geographic Information Systems (GIS) Specialist. B.A. in Geography with Emphasis in Environmental Analysis, California State University, Fullerton. 10 years of experience in the GIS field. Contribution: GIS graphics preparation and generation of technical data from GIS files for the technical reports and the IS/EA.

Chen, Zhe, Air Quality Specialist. B.S. in Chemistry, Peking University; M.S. in Environmental Engineering and Science, Stanford University. 3 years of experience in preparing CEQA documents, particularly Air Quality/Greenhouse Gas (GHG) and Noise technical reports and EIR sections. Contribution: Preparation of Noise section of the IS/EA.

Collison, Kerrie, Archaeologist. B.S. in Social Sciences, California Polytechnic State University, San Luis Obispo; M.A. in Anthropology, California State University, Northridge. 10 years of experience in Native American consultation and conducting surveys and monitoring for cultural and paleontological resources. Contribution: Preparation of cultural resource studies.

Dow, Gary, Associate/Graphic Designer. B.A. in Architectural Drafting, California State Polytechnic University, Pomona. 43 years of experience in creating graphics, computer mapping, and presentation materials for environmental documents. Contribution: Management and creation of graphics for the IS/EA.

Frakes, Laurel, Senior Environmental Planner. B.S. in Environmental Management/Hydrology and Watershed Management, California Polytechnic State University, San Luis Obispo. 8 years of experience in preparing environmental documents for projects requiring CEQA/NEPA coordination and implementation. Contribution: Preparer of Chapter 3, CEQA and Climate Change, of the IS/EA.

Girard-Sanders, Charity, Environmental Planner. B.A. in Psychology, Gallaudet University, Washington; Master of Urban Planning, City University of New York, Hunter College. 4 years of experience in conducting research and preparing technical sections of environmental documents. Contribution: Co-preparer of Land Use and Community Impact sections of the IS/EA.

Gould, Bo, Biologist. B.A. in Environmental Studies and Science, Whittier College. Four years of experience in biological surveys, research, and assessments, construction and restoration monitoring, natural resources regulatory compliance, and CEQA/NEPA documentation. Contribution: Conducted general and focused biological resources surveys, assisted with the preparation of the NES, lead author of the Biological Assessment, and lead author of the biological resources sections of the IS/EA.

Johnson, Lauren, Technical Editor. B.A. in English Literature, University of California, Santa Barbara. 25 years of experience in editing papers, journals, textbooks, and reports. Contribution: Editor of the IS/EA.

Kallas, Patrick, Assistant Environmental Planner. B.S. in Environmental Management and Protection, Minor in Water Science, California Polytechnic State University, San Luis Obispo. 1 year of experience in conducting research and preparing technical sections of environmental documents. Contribution: Preparer of the Water Quality section and Chapter 4, Comments and Coordination, of the IS/EA.

Liu, Donson, Transportation Engineer. B.S. in Civil Engineering, University of California, Irvine; M.S. in Civil Engineering, California State University, Long Beach. 7 years of experience in conducting traffic impact analyses, traffic operations analyses, and parking demand analyses and transportation planning. Contribution: Preparer of the Transportation analysis for the IS/EA. [No longer with LSA]

Long, Amber, Cultural Resource Analyst. M.A. with distinction in History, California Polytechnic State University, San Luis Obispo. 3 years of experience in preparing historical resource evaluations for projects under CEQA and local ordinances. 1 year of experience contributing to the Findings of Effects and the Cultural and Tribal Cultural Resources sections of IS/EA. Contribution: Preparer of the Paleontological Resources and Cultural Resources sections of the IS/EA. [No longer with LSA]

Lui, Jason, Senior Noise Specialist. B.A. in Environmental Analysis and Design, University of California, Irvine; M.S. in Environmental Studies, California State University, Fullerton. 11 years of experience in environmental studies, specializing in noise and air quality analysis. Contribution: Managed Noise section of the IS/EA.

Magee, Laura, Biologist. B.S. in Wildlife Ecology, University of Wisconsin-Madison. 6 years of experience in conducting biological studies, writing and reviewing reports, and monitoring construction. Contribution: Preparer of the NES. [No longer with LSA]

McLean, Deborah, Principal/Archaeologist. B.A. in Anthropology, Illinois State University, Normal, Illinois; M.A. in Anthropology with specialization in Archaeology, California State University, Fullerton. 24 years of experience coordinating and directing archaeological projects in compliance with CEQA; NEPA; National Historic Preservation Act, Section 106; and Caltrans regulations. Contribution: Senior review of the cultural resources technical studies and section. [No longer with LSA]

Morrow, Allison, Senior Environmental Planner. B.A. in Environmental Analysis and Design, University of California, Irvine; M.B.A., California State University, Long Beach. 10 years of experience in preparing CEQA/NEPA technical studies and environmental documents. Contribution: Acted as Assistant Project Manager and performed quality control and quality assurance review of the IS/EA.

Parham, James, Paleontologist. B.S. in Geology, University of Rhode Island, Summa cum Laude; Ph.D. in Paleontology, University of California, Berkeley. 24 years of experience in the paleontology and geology fields. Contribution: Preparer of the PIR and PER.

Pracilio, Deborah, Principal. B.A. in Social Ecology, University of California, Irvine. 32 years of experience in environmental assessment processing procedures for CEQA/NEPA. Contribution: Quality control review of the IS/EA.

Rieboldt, Sarah, Paleontologist. B.A. in Biology, University of Colorado, Boulder, Magna cum Laude; Ph.D. in Paleontology, University of California, Berkeley. 15 years of experience in the paleontology and geology fields. Contribution: Preparer of the PIR and PER.

Roos, Justin, Associate. B.S. in Geography, California Polytechnic State University, Pomona. 13 years of experience in Geographic Information Systems mapping and management. Contribution: GIS graphics preparation and generation of technical data from GIS files for the technical reports and IS/EA.

Selna, Blake, Principal/Biologist. B.S. in Environmental and Resource Sciences University of California, Davis. 17 years of experience in the biological resources and natural resource management. Contribution: Quality control review of the NES.

Simone, Leo, Associate. Bachelor of Landscape Architecture, California Polytechnic State University, San Luis Obispo; M.S. in Resource Management, Central Washington University. 17 years of experience in natural resource management. Contribution: Preparer of the NES.

Slavick, Michael, Senior Air Quality Specialist. B.S., in Environmental Policy Analysis and Planning, University of California, Davis. More than 25 years of experience in air quality and climate change analysis. Contribution: Preparer of Air Quality section of the IS/EA.

Strudwick, Ivan, Associate/Archaeologist. B.A. in Anthropology, California State University, Long Beach; M.A. in Anthropology, Magna cum Laude, with specialization in Archaeology, California State University, Long Beach. 34 years of archaeological experience in the archaeology field. Contribution: Preparer of the HPSR, the Archaeological Survey Report (ASR) and the Finding of No Adverse Effect (FNAE).

Thomas, King, Associate. B.A. in Social Ecology, Specialization in Environmental Health and Planning, University of California, Irvine. 30 years of experience in environmental and transportation planning. Contribution: Acted as Project Manager and performed quality control and quality assurance review of the IS/EA.

Virgil, Chantik, Senior Word Processor. 37 years of experience in word processing and formatting, 11 years of experience in word processing and formatting environmental documents. Contribution: Word processing and formatting of the IS/EA.
